1. **Logo Design Requirements**

   - Must include the text "Jarvis Technology Club" or "JTC".
   - The design should reflect a sense of technology, innovation, and modernity. The style is not limited (e.g., minimalist, futuristic, geeky, etc.).
   - Must be an original work. Plagiarism and AI-generated designs are not allowed.
   - The colors and fonts used should be suitable for both print and digital applications.
   - Submission format: PNG, JPG, PDF + source files (AI/PSD/SVG).

2. **Jacket Design Requirements**

   - The uniform includes jackets.
   - The design should align with the technology theme of the club, ensuring a cohesive colour scheme.
   - It may incorporate the logo, slogans, or patterns, but should remain simple, stylish, and suitable for daily wear.
   - Submission format: JPEG/PNG + design description (color scheme, material suggestions).
