CO-CURRICULUM PROJECT PROPOSAL

INDIAN CULTURAL SOCIETY (ICS)

"Kalvi Yaathirai 2026"

Proposed by: Sri Sivaneswary Maran

Student ID: 00021953

Program: Bachelor of Business Administration (Honours) in Human Resource Management

School: School of Management and Marketing

Event Date: 10 February 2026

Submission Date: 09 February 2026

1.0 INTRODUCTION

Kalvi Yaathirai is a spiritual and educational journey organized to provide students with knowledge beyond the classroom. It helps students explore and learn about history, culture, geography, science, and natural wonders through real-life experiences. This journey not only enhances practical understanding and observational skills but also develops discipline, teamwork, and respect for cultural and natural heritage. By visiting places like Batu Caves, students get an opportunity to connect theoretical knowledge with real-world learning while experiencing the spiritual and cultural significance of the site.

2.0 OBJECTIVES

- To encourage team spirit, discipline, and social responsibility among students. To gain practical knowledge through real-life learning experiences. To develop respect for cultural diversity and heritage.

3.0 PURPOSE OF EVENT

The primary purpose of this Kalvi Yaathirai is to provide students with an opportunity to learn beyond the classroom through a structured educational journey. This event aims to Facilitate experiential learning by allowing students to observe and interact with real-world examples related to their studies. Strengthen practical understanding of subjects such as geography, history, environmental science, and culture. Foster analytical thinking, scientific observation, and critical reasoning skills among students. Promote awareness and respect for cultural, spiritual, and natural heritage. Encourage discipline, teamwork, social responsibility, and interpersonal skills through organized group activities. Overall, this educational trip is designed to make learning more meaningful, engaging, and memorable, bridging the gap between theoretical knowledge and real-world experience.
